Thrill Hunting
in Tanzania**

Sunset Tarangire Ltd

Offers ethical, guided hunting experiences in Tanzania's wilderness. We focus on sustainable practices, supporting conservation, habitat preservation, and local communities while providing unforgettable adventures for our clients

Tanzanian Species

Tanzania is home to some of Africa's most sought-after game species, including:

- “Cape Buffalo, One of the “Big Five” and highly prized for its size and challenge.
- African Lion: A symbol of courage, hunted ethically under strict regulations,
- Leopard: Elusive and rewarding for experienced hunters,
- Plains Game: Includes Eland, Greater Kudu, Impala, Zebra, and more,
- Elephant: Limited, regulated hunts focused on conservation,
- Hippo & Crocodile: Challenging aquatic species found in rivers and lakes,
- Sable & Roan Antelope: Stunning and coveted trophies,
- Hyena: A fascinating predator requiring skill to hunt.”

All hunts adhere to strict regulations, supporting conservation and local communities.
